Walking Photobooth is a mobile photo booth that combines the standard photo booth setup and a Professional Photographer All in One! we can roam the venue and give souvenir pictures anywhere in the events place for just seconds! we can print from 30-45 seconds per photo. (We also take Unlimited Coverage Photos while Printing)

You get more for less, meaning we have High Quality Equipment and service that will amaze your guest in a very affordable price. We can print up to 60-120 pictures per hour for the guest to have many souvenirs. We use only Genuine High-Quality Inks and Papers in order for the pictures to last several years. We have two persons operating the Photoman unit; our team consist of one Professional Photographer and one Technical Assistant they're both roaming at the event to give souvenir pictures.
